

These Knife Safety Tips Have Been Vetted By Barney, John Wick, Bruce Banner and Every Other Cool Character I Could Think Of.

Your Knife Safety Guide

These tips keep you, and everyone else around you, safe, when using your knives in and outside of the home.

Do These:

- **Keep your knives sharp**
- **Sharpen knives properly**
- **Keep away from the knife edge**
- **Don't lick your knife**
- **Store knives properly**
- **Don't catch falling knives**
- **Leave knife when not in use**
- **Pass knives safely**
- **Wear protective clothing**
- **Get blade guards for your knives**
- **Keep knives in the open**
- **Eliminate all horseplay**
- **Always look at what you're cutting**
- **Cut away from the body**
- **Tuck your thumb when cutting**
- **Use a cutting board**
- **Use good knives**
